COMPREHENSIVE PLAN VISION

The Town of East Greenbush is a desirable live/work community that encourages a thriving walkable central town area surrounded by historic hamlets, well-connected neighborhoods, rural lands and active agriculture.

Balanced, sustainable growth within the community maintains the small town feel while providing a range of employment opportunities, supporting a diverse tax base, encouraging locally owned businesses and promoting emerging business sectors.

A range of quality housing options are available, and the town takes pride in its well-maintained streets, parks, businesses, and neighborhoods.

East Greenbush is a community aware and respectful of its important natural resources and the health of the environment.

This safe, welcoming town has a strong sense of community and is a place for multiple generations to call home.
